

Syncing Your Google Account

To make your online life easier, you should ensure that your Google Account is synced across all your devices. That way any settings, apps, or extensions you have on one device will also appear on other devices. To sync your account, log into Google and click on the three lines in the upper right corner to bring up the account menu:

Then, from the menu, select SETTINGS and then ADVANCED SYNC SETTINGS:

Finally, make sure that SYNC EVERYTHING is selected:
